Ol' Lady Grizelda is a delightful picture book meant for "children" of all ages. It is the story (told in rhyme and verse) of that certain peculiar person that each of us had on our block. The one that all of the children speculated upon, that their house was haunted or that they were awful. One day a special young boy tiptoes down to Grizelda's house to see for himself what of the rumors are true. In doing so a wonderful relationship is born between them and the reader learns to draw one's own conclusions rather than listening to the general gossip about people.
